GATE QUALIFICATIONS

Gifted students may qualify for the GATE program in one of three areas: high achievement, specific academic area, or general intellectual ability.

High Achievement

CAT-6 scores above 90 in two of three areas (total reading, total math, total language) for two of the last three years
and
3.75 cumulative GPA for two of the last three years

Specific Academic Area

CAT-6 scores above 98 in total reading, math **or** language for two of the last three years

General Intellectual Ability

CAT-6 scores above 95 in two of three areas for two of the last three years
or
Passing the Raven or Slosson test (given twice annually)
