Pennies for Patients

Coarsegold School is participating in a school-wide fund-raiser to assist with the short-and long-range needs of children with cancer. By bringing in spare change you may have around the house, our school will be able to help children and families who are struggling with the devastating impact of cancer on their lives. Thank you for your help with this important way for children to make a difference.

Principal's Message

by Mr. Haggard

Kids.gov is a family friendly website that's helpful to children. Featuring more than 1,200 links to Web pages from government agencies, schools, and educational organizations, the site makes it easy and safe for kids to learn, explore, and have fun online.

Activities are available for students from kindergarten through eighth grade. Children will find interesting facts on numerous topics, including going green, living in space, and using math in the everyday world. Kids.gov is a trusted source provided by the U.S. government for the enjoyment of all.

I encourage you to go on-line with your children. Find out how they are

New Cafeteria Prices

Effective March 1, increased costs for our Food Services have required the first increase in student meal prices since the 2001-2002 school year. The new prices are:

- **Breakfast.....\$1.25**
- **Lunch.....\$2.00**
- **Milk.....\$.30**

Our Food Services department remains committed to providing meals that are nutritious and appealing for students as well as affordable. We appreciate your understanding as we make this necessary adjustment in prices.
