Dear Parents,

Great to be back....I am positive many of you are glad to make lunches and ensure your students are off to the bus stop in time for the bus! I am happy to report we have a new race track in the Kindergarten play area...the kids will soon be riding trikes. Mr. Moberly and Valley Air have finally resolved the skunk issue in Mr. Rich's and Mrs. Jefferson's rooms in the 600 wing. Boy has that been a challenge but perseverance does pay off! Attention....8th grade students and parents, Yosemite High School Counselors will be at Rivergold School Thursday evening at 7:00 p.m. in the Cafetorium. They will have all the information about programs such as Collage Bound, International Baccalaureate, FFA, EAST Lab, Career Technical and ROP among the many college and career offerings Yosemite High School has to offer...by the way, Yosemite High School is Accredited by the Western Association of schools and Universities.

Some things to look forward to in the near future:

- 1) Author Assembly this Friday morning! We have a return visit from Steven Riley. Please see the information on the back of this newsletter if you would like to order his books. He will autograph them for your family.
- 2) Auditions for the Talent Show will be on Tuesday, March 2nd from 12:00 noon until 2:30 p.m. in room 613.
- 3) The Academic Pentathlon team will be competing on Fri. March 12th.

NOTE FROM LEADERSHIP CLASS

We want to thank everyone who donated to the Juvenile Diabetes Foundation. We collected \$160.00 for the organization and the winning ticket for the wood was purchased by LESLIE PISEL!!! Congratulations and thank you again.

HAWK WALK FRIDAY, MARCH 19 Put your running shoes on.

This is an amazing event that involves the whole school. We need as many sponsors on our T-shirts as possible, so, Rivergold families, if you own a business or know someone who'd like to have their business logo on our shirts, please contact Trudi Cacy at 676-0514. More information to come home soon. Our goal is to raise \$20,000 with student pledges. PTA would like to purchase additional computers for the classrooms, as well as math and reading software that we can install in the computer labs.
