From: Mr. Noccio**

Dear Parents,

We have another opportunity to offer our students the H1N1 Flu Vaccine, this time for our seventh and eighth graders. A bright pink flier is coming home today and needs to be returned by this Friday, Jan. 15th. Please read it through and fill out the white form with all of the specific information requested regarding your child. This time, the flu vaccine will be given here at school, during the school day, and parents are not required to attend. The school nurse will review the Student Information consent form, and you will receive a phone call regarding your child's vaccine. Both the shot and the nasal spray are available, and the nurse will determine the best method for your child. Thanks go out to the Madera County Office of Education and the Madera County Public Health Department for providing our students with this opportunity.

**Parents Please Note: Our Lost and Found will be donated to charity the beginning of each month for the rest of the year. Please check right away if something is missing. The Lost and Found cart is located outside the cafeteria in the covered area on the patio.**

### PTA NEWS

Thank you so much to JEFF REICHARD for his work in making the Art Reflections Display Boards. This was a long time coming and I know ESTHER FLEMMING our Reflections coordinator is so happy to finally have nice boards. Thank you so much to both of you for all your hard work.

### HAWK WALK COMING SOON

Mark your calendars. The Hawk Walk is **FRIDAY, MARCH 12 at Rivergold School**. Put your running shoes on! This is an amazing event that involves the whole school. Rivergold families, if you own a business or know someone who'd like to have their business logo on our shirts, please contact Trudi Cacy at 559-676-0514.
