Dear Rivergold Families,

The first quarter of instruction was just completed as of Friday, October 9, 2009. Report Cards will be issued to parents during Parent/Teacher Conferences.

I have noticed a number of parents parking in the upper parking lot--left hand side-- in the morning instead of using the route to drop-off their child next to the Cafetorium. Parking there is not the problem. The problem presents itself when parents walk with their child down the vehicle exit ramp to the lower campus and then they cross traffic to get to the sidewalk next to the Cafetorium. It is that action that causes the concern. Be aware there is a paved pathway that serpentine around the Oak trees and rock outcroppings next to room 705 ...please use that pathway.

I am happy to share, the youngsters have done a wonderful job so far with applying the three R's---Respect, Responsibility, and Reliability while at Rivergold School. Many thanks are extended to you for your support of the three R's!!!

The PTA is having the first Movie Night of the year on Friday Night, October 30, 2009. The movie is "Nightmare Before Christmas"----rated PG....this should be a "ghoulish" night....don't miss out on the fun! The flier will come out next week.

HALLOWEEN COSTUMES

Costumes are optional on Friday, Oct. 30th, the day before Halloween, for all grade levels. It is important to remember that instruction will continue to take place on special event days and that students need to come to school ready to learn. Students and parents need to be aware that costumes that portray blood or violence will not be allowed. Costumes need to be within the school dress code regarding coverage. It is recommended that students choose costumes that promote positive images. As always, use good judgment and common sense. No unsafe, disruptive, rude, or extreme clothing is allowed, and safe shoes are required. Costumes may not include play knives, swords, weapons, etc
